

Podcast: Adam Jay Epstein & Andrew Jacobson

After 10 years in the Hollywood trenches, screenwriters Adam Jay Epstein and Andrew Jacobson (Not Another Teen Movie) decided to try their hand at novel writing. The Familiars series is about three animal companions who go off on an adventure when their wizard counterparts are kidnapped. Now, Epstein and Jacobson's foray into publishing has come full circle — Sony Pictures bought the movie rights to the books, and tapped the partners to adapt. [18 min]
